Upfront commission is calculated as a percentage of the settled loan amount. Trail commission in the above table is an annual rate generally calculated monthly on the monthly loan balance, net of amounts in arrears (and offset/redraw). Calculation methods for each product may vary at the discretion of INFINITY CAPITAL MORTGAGE MANAGEMENT PTY LTD and its funders.

Disclaimer: The commission rates in Schedule A are correct as at 19/08/2021. The commission and claw-back rates and periods may be changed at the discretion of INFINITY CAPITAL MORTGAGE MANAGEMENT PTY LTD and its funders with notice to you.
